TELSTAR ADDS TO VICTORY SKIN WITH SECOND HALF SCORING SATURDAY

It took Telstar a full half to get its attack underway but by the end of four quarters the defending Mountain Valley champions had picked up credit for their 20th consecutive win with a 22-8 win over Messalonskee on the Bethel field.

The victory, which featured two touchdowns by senior Paul Farrar, was the second of the season for the Rebels but their first official appearance on the field as they picked up an opening game forfeit from Mt. Abram.

At times during the first half, when they trailed 8-0, they exhibited symptoms of a club just starting the season, but a strong finish assured the large home crowd that the state's longest winning streak would be still alive.

Messalonskee, now 1-1, took the lead early in the second quarter after Clint Collier passed 41 yards to Gary Knight which put the ball on the Telstar 21.

The drive continued until Collier hit Knight for a six yard touchdown. Bill Pullen rushed for the conversion for an 8-0 lead.

Telstar, often faced with an unfamiliar defense, did little in the first or second quarters offensively but struck immediately in the third.

Taking the ball on the third play from scrimmage after the kick-off, Farrar romped 57 yards for the score. He also took in the conversion to make it 8-8.

Early in the fourth quarter, Farrar pushed the home team into the lead as he scored from the six after a 62 yard march on 10 plays. He again scored a conversion, but this time it was a kick.

Fullback Doug Brooks wrapped up the win with a seven yard run, with Farrar kicking the point after.

Telstar's Rebels will journey to Jay on Friday night, for a 7 o'clock game under the lights.

LOCAL DEMOCRATS BEGIN FALL CAMPAIGN TUESDAY

The Bethel Democratic Town Committee began the fall campaign with a meeting on Tuesday, Sept. 17, at the home of District 63 Legislative Candidate Emily Saunders. Mrs. Saunders reported to the group on her impressions after the past weeks of traveling the district. She has found a tremendous interest in economic and consumer issues among voters in Andover, Newry, Hanover, Woodstock, and Milton.

During the next few weeks, Mrs. Saunders will be visiting voters in Albany, Hartford, Sumner, Upton, Magalloway, and East Bethel, as well as staffing the Candidates' Booths at the Waterford and Fryeburg Fairs. Remaining district towns will be covered during October.

The candidate recently was a guest of Mrs. Albert Bellevue of Rumford at a reception for local candidates with Gubernatorial Candidate George Mitchell as speaker.

The Bethel Democratic Committee and Friends of Emily Saunders will hold regular meetings through Election Day, meeting on Monday evenings at 7:30 at Mrs. Saunders' home on Spring Street.

MINI-BUS SERVICE AVAILABLE FOR SENIOR CITIZENS

Attention All Senior Citizens! There is a mini-bus each Tuesday at the IGA parking lot at 8:45 p. m. to take Interested Senior Citizens to a shopping area (Norway, Rumford or Berlin, N. H.). The bus will hold 11 passengers and they like to have a full bus. For further information call Muriel Faudi, 824-2327, or Carolyn Brooks, 824-2707.

Saturday's summary:

Messalonskee 0 8 0 0-8

Telstar 0 0 8 14-22

Scoring: Messalonskee, Knight (six yard pass from Collier), (Pullen, run), Telstar—Farrar, 57 run (Farrar run), Farrar, 6 run (Farrar, kick), Brooks, 7 run (Farrar, kick).

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Maine Municipal Association is holding a workshop Sept. 24 in Bridgton for local coordinators who will assist neighboring communities to implement the Staggered Registration of automobiles. These coordinators will receive somewhat more intensive instruction in proper procedure for collecting the excise tax on the vehicles affected by this new law.

George Nickerson has been named to the Planning Board to replace Carroll Valentine who resigned. John Anderson also submitted his resignation as he is being transferred out of the area. He will be replaced next Monday night. I would like to express my appreciation to both Mr. Valentine and Mr. Anderson for the cooperation they have given and service they have rendered to the community.

Samuel Timberlake, local plumbing inspector, has been busy the last few weeks, especially with private sewage disposal systems. We had a backlog created by the confusion of a change of local inspectors and also changes in the law. Mr. Timberlake is requesting, to avoid unnecessary delay and expense, anyone involved with plumbing contact him prior to commencing work. It is much easier to correct a tentative plan that it is to make changes after the project is supposedly finished.

TO DISCUSS ENGELHARDT REPORT AT C. P. S.

There will be a meeting Monday evening, Sept. 23, at 7 o'clock in the Library at Crescent Park School, to discuss the building and curriculum recommendations of the educational consultants, Engelhardt and Engelhardt.

The Engelhardt report was commissioned to aid in the deliberations of the Ad Hoc Committee for Educational Planning, S. A. D. 44. All interested are urged to attend.

S. A. D. 44 BOARD HOLDS REGULAR MEETING

S. A. D. 44's board of directors met in regular session in the Lecture Hall at Telstar Regional High School on Monday evening, Sept. 16.

John Gasser of Bethel was sworn in as a member of the board from Bethel. Mr. Gasser was appointed by the Bethel selectmen to succeed John C. Anderson, who resigned. He will complete the remainder of the unexpired term, serving until the annual town meeting in March, 1975.

Any action on the transportation for activities scheduled on non-school days, from the student's home to school facilities, was deferred until the Oct. 7 session.

Supt. Basil Kinney was authorized to employ Dr. Scalata of the Norway-Paris area, as District 44 physician if Dr. Scalata was amenable to performing such functions as have been encompassed by the position in recent years.

The board voted to employ Richard Douglass of Bethel to re-excavate the drainage ditches on the student parking lot to a depth of six feet, and fill with clean coarse gravel, extend such ditches to the state highway drainage ditch, compacting the fill, and installing suitable tile. The cost of the project will be \$3750, exclusive of the tile needed. Such tile as is needed will be furnished by the District.

Adjustments were authorized in the 1974-75 school calendar providing for Columbus Day on Oct. 14, and Memorial Day on May 26.

The leave of absence of Mrs. Carol Emery for the 1973-74 school year was extended to the 1974-75 year Mrs. Emery's last teaching service was in grade one at the Andover School during the 1972-73 school year. In compliance with the agreement between the S. A. D. 44 board and the Telstar Educators Association, leaves of absence are extended upon the request of the employee involved.

The board voted to employ Norma Salway as teacher aide at the Locke Mills School, and Eva Bowers as teacher aide at Woodstock. The continued employment of Glennice Roberts and Darlene Hall at Andover, and Maryvonne Wheeler at Telstar was approved.

The directors authorized the reposting of the vacant boys' varsity basketball coaching position for the current year with applications to be made to the superintendent no later than Oct. 7.

A request for an additional football coach to assist the Telstar head coach and two assistant coaches in extending the interscholastic football program to all interested Telstar students was denied.

The board approved a motion to determine what additional coaching positions, if any, should be created to extend the Telstar interscholastic sports activities, and which activities would be included. Any action on this matter is deferred until Oct. 7.

Gilbert Dunham of Greenwood and Mrs. Bettyann Hastings of Bethel, will again be the board's representatives to the Educational Development Committee (EDC).

Mrs. Patricia Hanson of Bethel will act as the board's representative.

HEALTH COUNCIL MEETING ON OCT. 1st

John Laban, president of the Bethel Health and Services Council, announced that a public meeting of the Council will be held at 7:30 p. m. Tuesday, Oct. 1st, in the Function Room of the Bethel Savings Bank.

According to Laban, the brief but important meeting is called (1) to discuss the activities of the Board of Directors — "Where they were, where they are, and where they are going", in connection with the establishment of a Family Medical Care Center; and (2) to make assignments to essential temporary committees for the final planning and completion of the center.

All current members are urged to attend. He is especially hopeful that all of those persons who have recently declared their willingness to help on committee work will be present, as well as those persons who have been selected to represent their organizations on the Council. Any other interested persons are cordially invited to attend.

CHAMBER OF COMMERCE TO MEET SEPT. 23

The Greater Bethel Chamber of Commerce will meet on Monday, Sept. 23 at 7:30 p. m. in the new Bethel Savings Bank building community room. Refreshments will be served.

An application has been submitted to the State for a grant from its promotional fund to sponsor a winter carnival this coming season.

Discussion of plans for the carnival will be a primary topic of the meeting. A large attendance is needed.

GIRL SCOUT REGISTRATION

Any girl in the 4th, 5th, or 6th grade, who wishes to belong to the Girl Scouts, may register Monday, Sept. 23, and Monday Sept. 30 only. Meetings will be held each Monday that school is in session from 6 to 7:30 p. m. at the new Savings Bank Community Room unless you are notified otherwise.

TEACHER-ADMINISTRATOR Liaison Committee (TALC)

The Telstar Educators Association requested a meeting with the board's negotiating committee on Thursday, Sept. 19, at 7 p. m. Members of the board's committee are Robert Day, Harry Swan Jr., and Clarence Remington, with board chairman John Brown serving as member ex officio.

A temporary note for operating expenses in the amount of \$199,000 with annual interest at 4 1/2% at the Cazo Bank and Trust Co was approved.

The board indicated its willingness to accept Edna Tripp of Bethel as a post graduate student at Telstar.

The employment of Mrs. Patricia Hottel as a substitute in the Guidance Department at Telstar for at least two days a week was authorized.

Board members absent Monday evening were Clarence Remington, Bethel, and Milton Mills, Woodstock.

ANNUAL ALUMNI DAY AT GOULD SATURDAY

More than 200 persons are expected to attend alumni activities at Gould Academy on Saturday.

Marshall Dodge, creator of the "Burt & I" stories and records will be the featured speaker at a banquet to be held in Gehring Dining Hall at 6:30 p. m. The second annual Alumni of the Year Award will also be presented at that time.

Morning activities will begin with a hearty Lumberman's Outdoor Breakfast at the Bethel Inn Beach Club on Songo Pond from 8:30 until 10 a. m.

Gould's soccer team, coached by Charles Newell will face Fryeburg Academy at 10 a. m. on the lower field.

Art Department Chairman James Owen has arranged a student art show and glass blowing demonstration for those alumni who are interested in the current activities of his department.

Also at 10 a. m., students will demonstrate rock climbing and ropes techniques used in Gould's Environmental Survival Program (ESP). ESP Director David Van Ness has invited alumni to participate in activities on a model course designed for them.

In other morning activities, Department Chairmen will be present to have coffee with alumni in Hanscom Hall to answer any questions they might have about the Academy today. In other sports activity, the field hockey team will face Oak Grove at the Park Field at 10:30 a. m.

Headmaster Richard J. Dolven will address the business meeting of the Alumni Association in Bingham Auditorium at 11 a. m.

A buffet luncheon will be served from 12:30 - 1:30 p. m. in Gehring Dining Hall. Tickets for meals will be available in Hanscom Hall.

The football team will play against the Boys Training Center at 2 p. m. on Barr Field. A post-game reception for alumni will be held in the home of Headmaster and Mrs. Richard J. Dolven.

A social hour for reunion classes will be held in faculty homes from 5 until 6 p. m.

The final event of the day will be a "Roaring Twenties" theme party to be held at the Sudbury Inn. A band will provide music for dancing.

All Gould alumni are cordially invited to return to campus for what promises to be an informative as well as an enjoyable day.

TELSTAR CROSS COUNTRY SQUAD WINNER IN TWO MEETS

The Telstar cross country team went to 30 this past Monday with a win over Fryeburg Academy. Saturday Sept. 14, also saw a win over Messalonskee and Buckfield. In both races, the seven scorers for Telstar were Eric Dombkowski, Richard Walker, Barry Bodwell, Peter Bodwell, Steve Blanchard, Bob Richardson and Rick Osgood. The scores in the two races were Telstar 18, Fryeburg 42 and Telstar 17, Messalonskee 61, Buckfield 62.

GREENWOOD CITY

Mrs. Collette Morgan, Corra.
This week I crossed the pond to the forest beyond. I have loitered by the pond's edge in every season and I've observed the changes that have come over its surface.

From the edge, land rose steeply and the forest itself was silent.

The damp earth itself was springy under foot; the tall dry grass-blades did not stir. I strolled along the shore line and was startled by a flock of ducks flying low, like weary travelers getting in late. I heard the rush of their wings and their calls as they once more settled down.

In the deep moss I moved with muffled feet and surprised a lone blue heron. The surprise was mutual for I thought all of them had left. No doubt it was waiting for a fish or a luckless frog. Its great height, telescopic sight and acute hearing gave it great advantage. It was quick to take alarm at my approach. Although it flew heavily and with wide wing spread it went with considerable speed.

With NYMPH tied to wait my return I sat down to gaze around me. I decided that ponds and lakes are a part of the landscape's loveliest features. Today the pond was as clear as an eye with shore-trees for slender eyelashes and the cliffs and hills its overhanging brows, under which I remained for some time.

I began to think it was still summer because the osprey, which I saw so frequently in early summer, appeared above the water. He was coasting and circling effortlessly in wide spread wings. His reflection grew smaller as he climbed upward and headed away through the windless air.

Returning again to the shore, where slow waves were sliding almost noiselessly, I stopped to look back over the wide amphitheater, and at the forms of the trees, a few changing their green coats to brighter colors, loosened NYMPH and rowed away, leaving the trees gently rustling, as they stood enveloped in shadow.

COUPLE ARRESTED FOR SERIES OF RECENT DAYTIME BREAKS

Oxford County Sheriff Alton L. Howe today released the names of a husband and wife recently arrested by his department for a series of daytime breaks.

The couple were identified as Ferri D. Poland, 24, and Norma L. Poland, 19, currently residing in South Paris.

According to the sheriff, a telephone call was received at the sheriff's office, South Paris at 9:25 a.m. August 28, from Mrs. Barbara Inman of Albany, stating that a recently installed burglar alarm in the neighboring mobile home of Dean Peaco had just sounded. Mrs. Inman told the dispatcher at the sheriff's office that she could see the vehicle in the Peaco driveway and that she would follow it when it left. Deputy Robert L. Wood, North Waterford, was called and other deputies were dispatched from South Paris, Bethel and Fryeburg.

The Poland vehicle was stopped by deputies at the junction of routes 118 and 37 in Waterford. Persons in the vehicle included Mrs. Poland and three minor children. Mrs. Inman who was following the Poland vehicle told deputies that Poland had not gotten into the vehicle but had fled into the woods adjacent to the Peaco home. Deputy Robert Wood apprehended Poland as he walked along the road in the general area of the break scene.

Howe stated that the Poland vehicle had been spotted in the Waterford area by Deputies Robert Wood and Aaron Cox a few days before the break; that the two deputies had kept it under surveillance until it left the area.

The Polands were brought before Southern Oxford Division, 11th District Court, South Paris, on Aug. 30, their cases were continued and both were released on bail by the court.

Sheriff Howe stated that to date, the Polands were involved in sixty daytime breaks into residences from North Rumford to Porter in the northern and southern ends of the county and from Fryeburg in the west to Buckfield in the east.

The principal items taken in this series of larcenies were identified as TV sets, stereos, radios and firearms. Investigating Deputies Wood and Cox are continuing their efforts to recover items taken in the breaks.

Evidence was discovered by Wood and Cox implicating the couple in several daytime house breaks in four other counties. This information has been turned over to police authorities in the areas concerned.

Sheriff Howe praised Mrs. Inman for her valuable contribution in the apprehension; also, said the burglar alarm deserved honorable mention for its service.

The Sheriff said he was counting on continued assistance of concerned citizens in the effort to reduce breaks in the county, especially the daytime breaks in residences whose owners or occupants are at work.

HEAD START NEWS

The Head Start staff have been busy the past week with staff meetings and workshops. The classroom has been readied, and Thursday night will be our first parent meeting. The parent meeting plays a very important part in the Head Start program. To involve the parents is one of the main objectives of Head Start, and of course, the parent meeting is the first step. Classroom participation is another form of parent involvement. We urge the parents to visit and help out as often as possible. Volunteers are always welcome in the center, parents or friends.

The first day of school for our children will be Monday, Sept. 23. We hope to have a volunteer cook for them this year. If anyone is interested, why not drop in one day soon, take a look at the center and facilities, it may help in making a decision.

Next week we'll have some news about our first few days of school—see you then.

Mrs. Labbe of Berlin came Sunday night to spend the week with her daughter, Donna Glover, and family.

Grange meeting was held Saturday evening at the Grange Hall with 14 members and one visitor present. Degrees were worked on one candidate.

Addie Lancaster and Bertha West were in Errol Friday.

Mr. and Mrs. Warren Bennett of Manchester were at the home of his mother, Cleo Bennett, over the week end.

Gladys Bennett was given a birthday party by relatives at Betty Vaughan's camp. She is 81 years old and very spry, had her own garden and picked berries this summer.

The frost has nipped some people's gardens and other's it did not touch.

Russell Bennett has finished building a foundation and putting up a metal storage shed for Bertha West.

SUNDAY RIVER

Mrs. R. M. Fleet, Corres.
Mr. and Mrs. Lauriston Noyes of Farmington, Maine, and her 89 year old brother, Omar Stowe, of Watertown, Conn., were recent callers of Roland Fleet family. They are natives of this neighborhood.

Mr. and Mrs. Jeffrey Fleet are the proud parents of their first son. Mother came home from the hospital Saturday.

Richard Onofrio of Norway spent part of Saturday with David Fleet. Mr. and Mrs. David Fleet, Alan, Tammy and Penny Fleet took his mother, Mrs. Julia Fleet, to South Windham to celebrate a birthday party for her brother, Miles Brooks. On the way home we came through some of the torn-up territory from that storm. It surely will be some time before it will ever look the same.

NORTHWEST BETHEL

Mrs. Louise B. Chapman, Corres.

Well, the girls have finally experienced their first flat tire, much to my dismay! We were driving along as nice as could be when I suddenly had that certain feeling I get just before that sickening thump-thump-thump. Off comes my foot from the accelerator and I pull over. Of course I'm on the ramp going in to town, but what could I do? I put on my "emergency" flashers, opened the trunk and "voila" a jack! After a few glances I finally figured out just how it went. So what if I couldn't get it to pump up. I just went and started the nuts off the tire and decided to worry about small details later. Meanwhile the girls were enjoying the whole adventure enormously, and at least four cars had gone by while jumping up and down on the wrench trying to get off a nut that was put on by a speed gun, a car stopped! So once again I was saved from finding out if I could neatly complete the whole job on my own. The girls were pleased to be back in the car, and I must admit so was I.—Again thanks to a good Samaritan—Harlan Bean.

Mr. and Mrs. Howard Chapman and Vince spent the week end at North Pond with Mr. and Mrs. Philip Cummings, New Jersey. They were the guests of Mrs. Ada "Mimi" Balentine.

Alison Chapman spent Wednesday with "Nana" and "Grandpa" Davis in North Woodstock.

DUNHAM REUNION

The 28th Dunham Reunion of the descendants of Elton and Mabel Dunham was held September 8 at the farm home of Mr. and Mrs. Everett Cross on Howe Hill. It was well attended with 73 members and friends present.

A pot luck dinner at noon was served on the lawn with Mr. and Mrs. Cross as hosts.

The business meeting was called to order by Vera Cross, president. After repeating the Lord's Prayer the minutes of the last meeting were read by the secretary, Rowena Dunham. The following officers for the ensuing year were elected: Richard Jordan, president; Lillian Noyes, vice-president and Mrs. Richard Jordan, secretary and treasurer. The oldest member present was Mrs. Lydia Whitman and the youngest was Tony Jordan. This makes three years in a row that Tony has had that honor. Cards were signed by all to send to Mrs. Stella Ring and Bernard Wilson.

A very lovely afternoon was spent in the wonderful September weather and the beautiful scenery all around the Hill. Games of softball and croquet were played. Stephen Seames, Charlotte and Irving Cole entertained with musical selections.

30 SECONDS WITH THE NAZARENE

Rev. Barbara Huse, Pastor
Bethel Church of the Nazarene
FRIENDSHIP: JAMES 2:23.

All of us have friends who are very near and dear to us, one of the greatest blessings in life. What a joy it is on occasion to introduce our friends to others and thereby gain new friends along the way. Our friends are those who know all about us and love us just the same, so we have heard it said. How true that real love looks beyond the faults which we all have and sees the real person. No one can really love like that without the Love of Christ within our hearts. The message we have today especially is this, "Meet my Friend Jesus". He is a Friend indeed, one who does know all about us. We have all sung many times the hymn which says, "What a Friend we have in Jesus."

From the Scripture James 2:23 we learn that Abraham was called "the Friend of God." We too want to be a friend of Jesus, we want to be your friend too and this is one way by saying to you, "Meet my Friend Jesus!"

Letters to the Editor

To the Editor:
The public hearing on Rural crime held by the Legal Affairs Committee of the Legislature at Oxford Hills High School, Sept. 12, was one of the most worthwhile meetings that I have attended as your legislator. The purpose of the hearing was to seek constructive ways in which the law enforcement agencies, the Legislature and the Maine Law Enforcement Assistance Agency can improve the criminal justice system.

A booklet entitled "45 Ways You Can Prevent Crime" is available at your county sheriff's office. It contains a telephone number to call: Emergency 743-2334.

This letter is not written to alarm you but to alert you about the growing problems of Rural crime.

Sincerely,
Jay Willard

As a junior in Telstar, I couldn't help but be a bit amused—really!—at the recommendation of SAD 41 that the Locke Mills School be closed because of the inadequate facilities it has. I quote "All of these schools (including Locke Mills) lack essential facilities to carry a basic elementary program." I can't help but laugh a little—for in my opinion that's a rather ridiculous way to judge a school.

When I attended Locke Mills 11 years ago—with several classmates—it didn't boast a library. It also didn't boast a yellow school bus (just a station wagon), hot lunches, an assembly room, or any play, ed. space besides the wide outdoors. We had 8 grades crammed into 7 tiny rooms. We had to go to our coats on hooks in the corridor, and books and mittens went by the radiator. And they say today's system is "inadequate." Where were they when I was there?

Yet to make a long story short.

CO-OP CORNER

David Denison

Pam Coolidge

Starting this week, the Co-Op Corner is going to introduce you to the students that are participating in the Cooperative Education Program this year. This week's student is Pamela Coolidge, employed by NOVA as a secretary in the Cooperative Education Office at Telstar High School.

NOVA (Northern Oxford Vocational Area) is the newly developed regional organization that is responsible for providing vocational education for the students in SAD 44 (Bethel, etc.); SAD 43 (Mexico, etc.); SAD 21 (Dixfield, etc.); and School Union 25 (Rumford, etc.). The Co-Op program at Telstar is included within the framework of the new region, and therefore, Pam is considered an employee of NOVA. Her employer is William Dunton, Director of NOVA, and her supervisor is David Denison, Coordinator of the Co-Op program at Telstar High School.

Pam's responsibilities include typing, transcription, organization and maintenance of files, use of copying machines, answering the phone, and general management of the office records. The experience that Pam is obtaining should be of great help to her in achieving her vocational goal, i. e., becoming an executive secretary. She is now a Junior, but has already decided to attend a two year business program after graduation in order to further refine her business skills. She is currently taking a combined Business and College Preparatory course at Telstar. In addition, Pam is involved in the school band, and library club, and enjoys biking as a recreational activity. A life long resident of the District, she is the daughter of Mr. and Mrs. Lester Coolidge, Jr., of Locke Mills.

As part of her employment, Pam is assuming the responsibility for being the correspondent for the Co-Op Corner. She will interview Co-Op students and write the weekly Co-Op Corner articles starting next week. This, in addition to her office responsibilities, extra-curricular activities, and studies, should keep Pam pretty busy this year.

none of my classmates that have been in Locke Mills are flunkies. All are represented in Telstar clubs and organizations. Quite a few names are on the Honor Roll. I myself received such a good background in English there that I was able to win a Spelling Bee a few years later. And apparently the wide outdoors was good enough for Phys. Ed. because there are a few in sports. And before you give Telstar all the credit—let me ask you—did we get to high school before elementary? Or if you give CPS all the credit—we had to get started somewhere . . . before CPS was even thought of for Locke Mills students.

Do you really think Locke Mills School is so inadequate.

Sincerely yours,
Marcia L. Mills

THE TRUTH THAT HEALS

A Christian Science radio series

MANAGEMENT OF THE HEALTH CARE CENTER

— BY WHOM?

by Walt Cherry

Assuming our efforts to erect a family health care center are successful, one of the more serious matters is its administration. Such questions as: Who will manage it, establish fees and hours? Who will staff it? What services will be offered? Who will maintain the physical plant, do house-cleaning chores and the like? Who will do the collecting of fees and accounting? and many more must be answered.

There are two seemingly satisfactory plans for administration of the facility, once established. It could be totally owned and controlled by a local corporation directed by a representation of its users. Supervision, licensing and sanction of the para-professional staff could be contracted for, either between the corporation and a hospital, or a single doctor.

The other concept is to permit an existing hospital to administer the facility in its entirety as an annex or satellite of its principal installation.

Either course has its benefits and drawbacks. Home ownership and control seems simple as a concept, but probably would be less and less simple as an actuality, requiring a tireless, ongoing group of directors and most likely, a resident administrator. Under this system we could set fees on a sliding scale to provide for poor or indigent patients. We could select our own staff and, if necessary, discharge incompetents or undesirable. We could make our facilities available to any and all doctors, no matter where they hospitalize their patients. We would need to show no partiality to any hospitals. (The Tri-County Health Planning Study showed that most of the Bethel people chose the Rumford Hospital. A smaller but substantial group preferred Norway, while a small number selected Berlin.)

The great drawback of this concept, if we are to consider it a community center, is the Medicaid requirement that recipients be treated by or under the one-site control of a licensed practitioner. It seems unlikely that we could, on our own, provide enough of that kind of service to take care of the numbers of needy individuals in the area. It is unlikely that we could, in keeping with sound fiscal policy, provide services without any charge.

Another drawback would be lack of expertise in procurement of supplies and equipment and all the details of management of such an enterprise.

The other concept, that of giving control to an existing hospital, appears to be complex and, to some, unpalatable, but it has merit and would be simpler as an actuality.

More than a year and a one-half ago the Stephens Memorial Hospital of Norway, attempted, in co-operation with the Bethel Health Council, to establish a satellite clinic in Bethel. The deal fell through when the price of a building which was known to be available, was nearly doubled. The clinic would have provided rotating service by members of the medical staff of the hospital during limited hours through the week. It was better

than we had, but not good enough, for it did not include "round the clock" emergency service. During the ensuing months and even now, the Norway administrators and staff have been eager to see better coverage for the Bethel area. At this writing, no other hospital has shown significant interest. It is both unwise and unfair to rule out the possibility that other hospitals may want to participate in some way, but there have been no offers yet.

There have been lengthy and pointed discussions with the administrators of the Norway hospital and they have made it clear that no matter which route we take, they stand ready to help us in any way they can. Naturally, their interest would be greater if we let them manage our facility on a continuing basis, but, all the same, if we choose to run it ourselves, they will make every effort to furnish us with expertise in administration and procurement and would try to provide the services of members of their medical staff on a rotating basis. They would also help us to recruit competent para-professionals.

We have been assured that if they manage the facility, anyone who prefers the Rumford or Berlin Hospital, should be able to get hospitalization could go wherever he pleased and would, in fact be helped to be admitted.

If one forgets the original and only meaningful goal of our efforts, that of providing total primary curative, preventive and emergency care, one might be apt to object to turning over the fruits of our labors to some other entity to use as it sees fit. However that need not be the case at all. The community corporation need not enter a permanent agreement and could terminate an unsatisfactory one.

The drawback in this arrangement is the question of who will pay for any indebtedness we might incur in the construction of the facility. If we run it ourselves, any proceeds over and above the cost of operation would be available for that purpose. If we let some other entity run it in its entirety, there would surely have to be a lease agreement to cover any remaining debt or mortgage.

Other unmentioned possibilities would be leasing the facility to a single doctor or group who might find such a ready-made practice to their liking; or an attempt to induce the appropriate Federal agency to declare us a scarcity area and assign to us a couple of doctors (as was done in Gorham).

At any rate, these are some of the considerations which plague the Board of Directors of the Health Council, and they will not solve their problems without universal support from you. Be in touch with them and let them know what you think.

Miss Vicki Inman left for college in Florida, Tuesday.

West Paris Grange received third prize for their exhibit at the Oxford County Fair.

Forward Fellowship will meet at their manse with Mrs. Coyle, Sept. 23, for a pot luck supper at 6 p. m. following by a business meeting. Supper committee, Miriam Inman, and Mary Emery, Maxine Cram will have devotions.

Annual Soap Box Derby will be held Sunday at 10:30 a. m.

NORTH PARIS

Eveline Barrett, Corres.
Mr. and Mrs. Ellsworth Lawrence, Brenda Millett, Mr. and Mrs. Joseph Kalinowski and Mr. and Mrs. Joseph Barrett attended the Coffin-Lawrence reunion Sunday at the home of Alice Goff, Roxbury Road, Mexico. Mr. and Mrs. Norman Abbott were hosts. The "King" of bean hole beans, Norman Abbott, served the beans with one dozen large onions and boy oh boy every one was looking for onions. Salads, scallops, hot rolls, pickles, pies and ice cream were enjoyed out doors. It was the first time since 1969 that Joe Barrett was able to go.

Our neighbors, Mr. and Mrs. Gerald Hammond, are busy getting their clothing business ready at West Paris Hardware Building.

Mr. and Mrs. John O'Hearon were at Brunswick Air Base Tuesday, Sept. 17 for supplies.

We are all trying to keep up with the Joneses, so we all have colds and flu. Eveline Barrett has been to the doctor three times since Sept. 6. That's plenty.

We had our first frost Sept. 16. It is beautiful out doors but the air is cool.

SOUTH WOODSTOCK

Mrs. Olive Davis, Corres.
Mrs. Bernice Davis went to Boston with her daughters, Ethel and Edith Saturday. She entered the Massachusetts General Hospital for observation.

Mrs. Guyson Davis took care of her grandchildren, Jacqueline and Neil Tibbets, this week end, so their parents, Mr. and Mrs. Roger Tibbets, went to Norway Fair.

Mr. and Mrs. Frank Campbell and family attended the wedding reception for Mary Ann Knights (Mr. and Mrs. Louis Sicotte) at the Community Church at North Woodstock.

Judy Campbell attended the horse show held at the fair grounds Sunday.

Mrs. Leon Verrill accompanied her mother, Mrs. Hazel Johnson, to the CMG Hospital at Lewiston by ambulance Sunday. Mrs. Johnson will have treatments while there.

Mr. and Mrs. Arthur Andrews and Lillian Harmon, Bridgton, called on Mr. and Mrs. Ellis Davis recently.

Callers at Ellis Davis this week were Mr. and Mrs. Ralph Tucci, Littleton, Mass.; Frank Waterhouse, West Paris; Percy Jefferson, Mr. and Mrs. Harris Hathaway, Mr. and Mrs. Carl Brooks, Mrs. Joe Young, Mr. and Mrs. Leslie Bryant, Mr. and Mrs. Herman Barnett, South Paris, and Mr. and Mrs. Charles Gibbs, Turner.

Mrs. Judy A. Gande, Columbus, Ohio, visited Mrs. Robert Deegan two weeks recently. Mrs. Judy B. Gande spent a day at a time with them as she stayed in the Bethel area during her visit to Maine.

Callers on Addie Campbell re-

cently were her brother, Harry Thurlow, Gardiner, Maine, Eva Judkins and Mr. and Mrs. Jason Hazekon of Norway.

Ricky Wing has entered CMVTI, Auburn, as of September 3, where he is taking a two year course on industrial electricity. He is also working evenings at the Gladding Paris Co., South Paris, part time and Saturday forenoon.

Several attended Norway Fair this week from here.

Mr. and Mrs. Ralph Tucci took Mr. and Mrs. Ellis Davis to North Conway Friday. They went to the Crammore ski area where they ate a picnic lunch beside a pool with ducks and swans swimming around nearby. While consuming all the goodies put before them, they could watch the little cars going up the mountain. It was interesting and it one had had two good feet it would have been fun to take the trip up to the top of the mountain.

They went to the station in North Conway and saw the famed steam engine with an open car attached with around 25 people taking a ride to Conway and back. We waited until the engine left for the trip and then headed towards home.

Ellis Davis went to West Bethel to Pleasant Valley special grange meeting with Raymond Chapman and Carl Brooks, Friday evening. Mr. and Mrs. Gerald Davis, Freeport, called on Mr. and Mrs. Guyson Davis, Sunday.

The Best Way To Save Energy
Is By Calling Your Oil Dealer.

Unbelievable or not, the fact is, we can do a great deal to save energy, and in the process save you money.

FACT: oil heat directly fired saves 3 times the oil it takes to generate the same heat by electricity or any other indirect energy source.

FACT: most oil burners could use a quick inexpensive tune up that could save you 20% or more each year. Like all appliances, your oil furnace needs a little maintenance to run more efficiently. It will run cleaner too.

FACT: Our company wants to do all we can to save you money. Give us a call, we will be glad to show you how to use less of a good thing.

RESOLUTIONS OF RESPECT

Although our Heavenly Father has called our Worthy Sister and Friend, Marjorie Billings, to her everlasting home, it is with understanding that we realize her parting is only temporary. She is not lost from us forever. She has just gone on before us. May we dedicate the following lines to her memory.

Our Worthy Friend and Sister, Was a Patron tried and true. She had a pleasant, friendly smile. That somehow, seemed to beckon you.

She was a friend to one and all. Would stop and help when 'ere she could.

She knew long hours of endless toil. Her daily life was filled with good.

She lived a life of many years. But had her problems like the rest. She conquered trials one by one. Whatever came, she did her best.

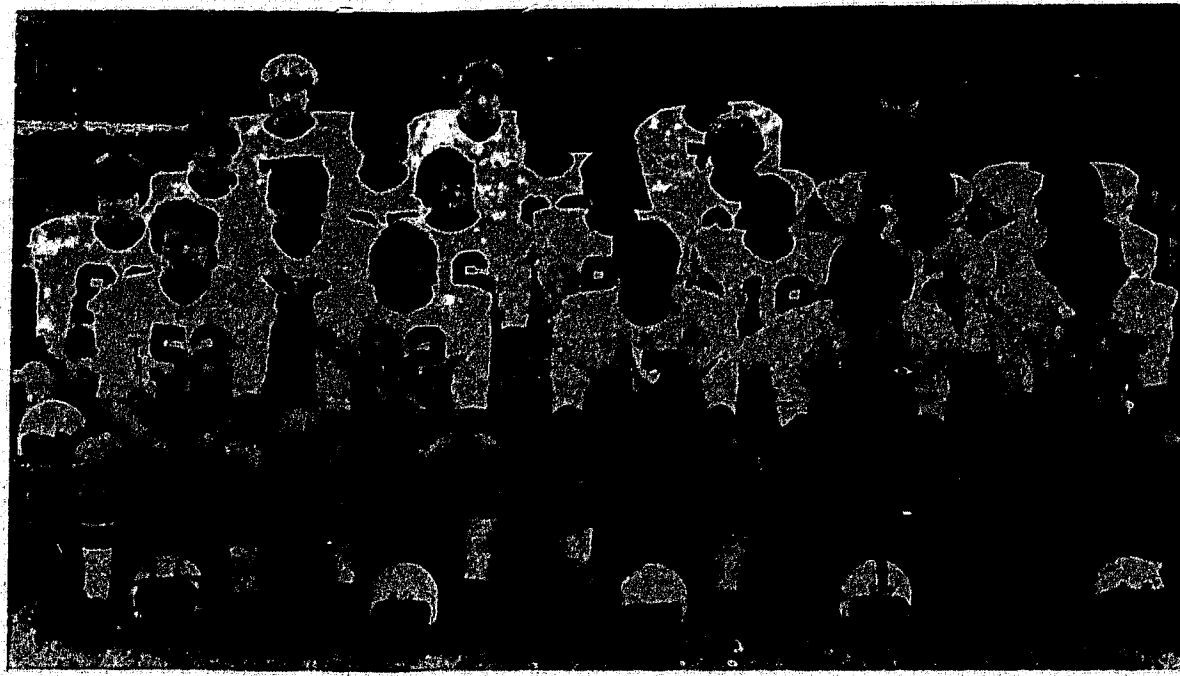

It makes us sad, when parting comes.

For friends and loved ones dear. But let us stop and think a bit. It's not for long.

The flight of time will soon call us. And once again, we'll all be near.

It is the wish of the members of Bear River Grange, that a copy of these lines be given to the family of our Worthy Sister, and a copy sent to the "Bethel Citizen" for printing, so that others may share our feelings.

**BETHEL HISTORICAL SOCIETY**

The Furnishings Committee of the Bethel Historical Society wish to acknowledge the receipt of some interesting items. Some were acquired recently while others, although received earlier, have not previously been publicly acknowledged, due to the complexities of setting up a record system.

Mrs. Marjorie Farwell Anderson of Owl's Head, has donated a notebook which for many years was kept by Betsy Howe Farwell and labeled "Account-Diary-First Aid Book." Accompanying the notebook were two mounted photos and a Bethel Centennial booklet. A log cabin quilt has come from Mrs. Richard Bush. Mrs. Isobel Russell has given a spool bed in memory of her

Sylvia Luxton returned to her home on Monday after being a surgical patient at Rumford Community Hospital.

WEST GREENW
TED — On Wed-
nesday the Bethel and Greenleaf
partments were closed for the
day of Joseph Deegan's funeral.
A daughter, Miss Margaret Deegan,
missed the school bus and had to
ride to the house and then to the
school. She was sleeping in the
living room when the alarm
sounded. Three pieces of furniture
from Bethel Greenwood responded
to the call. The fire is still undetermined
as to all personal property.
